A moving industry newsletter published by the HighStar Group of Companies-June 2005

Highland adds 13 moving vans to Alberta fleet with the purchase of Aurora Moving.

Highland's recent purchase of Aurora Moving adds needed vans and trained crews to the company's Alberta fleet. "This looks to be a very busy year in the moving business" said Don Kachur, President of Highland. "Corporate business is up by over 25 percent nationally and it looks like demand for service in Alberta will exceed the supply of movers for the first time in many years. The additional moving vans will ensure that we can meet our service

commitments to our contracted corporate customers during the peak summer season" The additional capacity will be used in servicing the busy Calgary - Edmonton - Ft McMurray corridor. Highland has served the oilsands industry for over 25 years. Key accounts include Petro-Canada, Syncrude UE-1, Suncor, Fluor, Schlumberger, BP Canada, Atco, Shell, as well as many smaller companies operating in the Ft McMurray area.

Highland already operates the largest fleet of moving vans in Alberta.

Fluor selects Highland

After an extensive RFP process, interviews with key staff and location inspections, Fluor Canada has chosen Highland Moving to be its exclusive moving contractor. Fluor is active in oilsands engineering and procurement and is one of Calgary's largest "people movers". Highland is proud to welcome Fluor to their list of Key Accounts.

Highland wins 2004 business development award

Highland's Calgary operation was the fastest growing United agent in Canada in 2004. The award was announced at United's annual meeting in Tucson Arizona.

Paul Wielens, Leanne Booth, and Don Kachur accept the award from Anne Martin, President of United

He painted up his lips and rolled and curled his tinted hair.

How's this for a unique fundraiser ?

The Calgary AIDS network annually sponsors a night of off-the-wall entertainment and **drag queen fashions** to raise money for AIDS research. Highland supports many corporate fund raisers but this event was a real departure from the "sports and beer" events that generally show up on our fundraising calendar. The evening turned out to be highly entertaining and our guests went home with a clear understanding of why this event has been a continual sellout since its inception.
